5. Care Health Insurance:

About Care Health Insurance Ltd:

CHI is a specialized health insurer offering health insurance services to employees of corporates, individual customers, and for financial inclusion as well. With its operating philosophy being based on the principal tenet of ‘consumer-centricity’, the company has consistently invested in the effective application of technology to deliver excellence servicing, product innovation, and value for money services.

Health Insurance is a financial tool that covers healthcare & hospitalization expenses of an individual caused due to an illness or accident. The health insurer either settles the insured’s hospitalization bill directly with the hospital/medical service provider or reimburses the expenses paid by the insured to the hospital.
