

Beware of

Fake TRAI or FedEx

Courier Company Calls

Scammers call victims and claim that their mobile number will be blocked and ask the victim to click on malicious links which leads to a fake call centre.

Precautions

01

Verify Caller Identity

Always verify the identity of the caller by contacting the organization directly through their official channels.

02

Avoid Clicking Unknown Links

Do not click on any links provided by unknown callers, especially if they claim to be from official organizations like TRAI or FedEx.

03

Report Suspicious Calls

Report any suspicious calls or messages to the Police or Bank authorities immediately.

04

Educate Yourself

Stay informed about common scam tactics to recognize and avoid them effectively.
