

Through 2024,  
more than  
**Rs. 22,812 Crores**  
was lost to  
**Cybercrime**  
in India!

You can change this  
by playing safe!

### 5 Smart Ways to Outsmart Cybercrime!

Don't answer calls from unknown numbers.

Don't click on suspicious links.

Don't share personal details like OTPs, CVV, bank details, Aadhaar, or credit card information.

Don't transfer money to unverified accounts.

Don't trust suspicious calls — disconnect and call back to verify.

### Always Remember:

Law enforcement never asks for online payments.

Trust your instincts—if it feels wrong, it likely is.

Stay updated on cybersecurity alerts.

Use strong passwords and enable two-factor authentication.

Report a crime within the golden hour on 1930. (Timely action has helped recover **Rs 254 crores** in the year 2024)
